A very informal meeting which involved the group talking about the recent Lifeline appeal and talking about their trials and tribulations of day to day living with Lymphoma. As such very little formal business was discussed.

Treasurers Report

The group's funds remain at £107.62. The end of March is when the internet hosting and domain name fees are due.

Matters Arising

Posters

Nathan would try to make contact with Dr Narayannon at George Eliot Hospital in Nuneaton with a view to arranging having a poster placed at his hospital and promoting the group with his patients. New posters were also handed out to members of the group who felt that they could display one in an appropriate place.

Lifeline Appeal

Nathan hopes to be able to show the Lifeline Appeal video at the next meeting for those that missed it, when originally screened.

Date of next meeting

Because of existing commitments at the church, it was impossible to book the groups usual Thursday slot and so the date of the next meeting was set as Wednesday 4th 2007 at 19:00.
