Treasurers Report

The groups funds now stand at £77.67.

Letter to George Eliot Hospital

Nathan had that day received a phone call from Dr Narayanan's secretary and would therefore arrange to send some posters to George Eliot Hospital.

Arden Cancer Network

Dawn Turner from the Arden Cancer Network took time out to attend our group meeting and explain the work that the network do and how patients can get involved. She explained the networks role in cancer care and the monitoring of patient referral times from when the GP first suspects cancer to getting a referral to the hospital.

This was a most informative discussion and anyone who wishes to volunteer there services for the Network can either contact Dawn directly or speak to Nathan and he can arrange for that to happen.
