---

This was the first meeting since March as the April meeting was postponed due to Michaela being very poorly. Sadly Michaela passed away on April 7<sup>th</sup>. Many thanks to all of her friends who attended the funeral and sent cards and tributes.

## **Treasurers Report**

The group's funds are at £107.62. The forthcoming years internet fees have now been paid and no bills are expected.

## **Hodgkin Lymphoma DVD**

During the meeting the new Lymphoma Association DVD about Hodgkin Lymphoma was shown.

This was an enjoyable and informative DVD which could greatly benefit new patients as well as former patients that may never have fully understood their disease.

Maggie was due to see a new patient the following day and so therefore asked about the availability of the DVD as it may be something that she can offer for any patients that are diagnosed and require further advice and information.

## **National Conference**

Saturday 20<sup>th</sup> May is the date for this year's national conference. This time it will be held in Oxford and a number of the group are intending to go. Anyone else interested should contact Nathan and he can arrange for tickets.

## **Matters Arising**

### **Room availability**

Maggie has now managed to secure the use of the Radiotherapy Day Centre until such time the new hospital is opened. This effectively means that at least the June meeting will take place in the Day Centre.

## **Date of next meeting**

The date of the next meeting was set as 8th June 2006 at 19:00. Please note that this is the second Thursday in the Month as a number of the group will be away for the Whitsun week.
